Chemistry Olympiad Exams - American Chemical Society

I bought the ACS book, but would like to have some kind of sample exam or anything close relating to their style of exams. I ask this because I already took the ACS General Chemistry example, and i felt the study book was completely different from the actual exam that I took. I really need to score high about the 80th percentile.

Study Guide 2018
stakes final examination that covers a full year of the organic chemistry curriculum often wonder how best to prepare for such an assessment. Many institutions use the products from the American Chemical Society (ACS) Examinations Institute as one metric for student learning.

ACS Symposium Series (ACS Publications)
The usual process for writing a new exam takes a committee 2 years, Murphy says, but the institute produced sets of questions for general chemistry and organic chemistry, its most popular exams, in only 3 weeks. The question pools include more than 300 questions for the two courses, coded by semester, topic, and difficulty.
