The answer has to be split into two: into content and concept. On the content side, we have no chance. With a language spoken by no more than 9 million people, written from right to left, comprising a ...

Industry Report: Distribution, Exhibition and Streaming

There are around 28 distributors in the market, including the big studios. That means we need to have a clear strategy for our releases, because every week there are around 9-10 new films coming to ...
