Bestiary 4 is one of extremes. On the positive end, it includes some of the Great Old Ones. On the negative end, it contains a multitude of creatures previously seen in other Pathfinder products. Additionally, there's an inordinately high number of female haglike creatures contained within this book.

A bestiary, or bestiarum vocabulum, is a compendium of beasts. Originating in the ancient world, bestiaries were made popular in the Middle Ages in illustrated volumes that described various animals and even rocks. The natural history and illustration of each beast was usually accompanied by a moral lesson. This reflected the belief that the world itself was the Word of God, and that every living thing had its own special meaning. For example, the pelican, which was believed to tear open its bre
