This book takes an extensive look at the many different types of users and cultures that comprise the popular social media platform Tumblr. Though it does not receive nearly as much attention as other social media such as Twitter or Facebook, Tumblr and its users have been hugely influential in creating and shifting popular culture, especially progressive youth culture, with the New York Times referring to 2014 as the dawning of the "age of Tumblr activism." Perfect for those unfamiliar with the platform as well as those who grew up on it, this volume contains essays and artwork that span many different topics: fandom; platform structure and

An entire generation of young people that is now beginning to influence mass culture and politics came of age on Tumblr, and this volume is an indispensable guide to the many ways this platform works.

The Glorified One. - Col. 3:3,4 "It is with the desire to help those who have not yet fully understood what the Saviour meant with His command, or who have feared that it was a life beyond their reach, that these meditations are now published. It is only by frequent repetition that a child learns its lessons. It is only by continuously fixing the mind for a time on some one of the lessons of faith, that the believer is gradually helped to take and thoroughly assimilate them. I have the hope that to some, especially young believers, it will be a help to come and for a month day after day spell over the precious words, "Abide in me," with the lessons connected with them in the parable of the Vine. Step by step we shall get to see how truly this promise - precept is meant for us, how surely grace is provided to enable us to obey it, how indispensable the experience of its blessing is to a healthy Christian life, and how unspeakable the blessings are that flow from it. As we listen, and meditate, and pray as we surrender ourselves, and accept in faith the whole Jesus as He offers Himself to us in it - the Holy Spirit will make the word to be spirit and life; this word of Jesus, too, will become to us the power of God unto salvation, and through it will come the faith that grasps the long desired blessing."
