Kiss of Frost is the second book in Jennifer Estep's Mythos Academy series and it pretty much takes place only a couple weeks later from where Touch of Frost ended. I really liked Touch of Frost, but I enjoyed Kiss of Frost a lot more. I think what I like the most about this series is the relationship between Logan and Gwen.

Psychometrist Gwen Frost returns in this series sequel to investigate mysteries and attempt to forestall a clash of titans. With her usual sarcasm and self-deprecation, Gwen again narrates, while Estep capitalizes on details she laid in opener Touch of Frost (2011). Characters who previously resembled caricatures gain new depth, and the evolving storyline grows more nuanced.

Gwen Frost is supposed to be a normal high school student, or at least as normal as any of the superhero-like kids she attends the Mythos Academy with can be. Unbeknownst to the residents of Asheville, the elite private boarding school nearby isn't filled with rich kids, but with the descendants of mythological warriors.

A high school warrior-in-training gets lessons in surviving a mysterious assassin in the New York Times bestselling author's YA urban fantasy novel. I'm Gwen Frost, a second-year warrior-in-training at Mythos Academy, and I have no idea how I'm going to survive the rest of the semester. One day, I'm getting schooled in swordplay by the guy who broke my heart - the drop-dead gorgeous Spartan Logan Quinn who slays me every time. Then, an invisible archer in the Library of Antiquities decides to use me for target practice. And now, I find out that someone at the academy is really a Reaper bad guy who wants me dead. Now, with Logan's help, I'll have to learn to live by the sword - or die trying.

High school gets even harder when there's an evil god on the loose in the New York Times bestselling author's YA urban fantasy novel. My name is Gwen Frost, and I go to Mythos Academy, a school of

myths, magic and warrior whiz kids. And now there's also Loki, the evil god I helped set free against my will. On the bright side, I finally got a date with Logan Quinn, the hottest—and deadliest—Spartan at Mythos. But I should have known it was destined to end in disaster. If we'd gotten into a swordfight, or been ambushed by Reapers, I'd have been more prepared. I definitely didn't expect to get arrested mid-sip at the local coffee hangout. I'm accused of purposely helping the Reapers free Loki—and the person leading the charge against me is Linus Quinn, Logan's dad. Now pretty much everyone at school thinks I'm guilty. If I'm going to get out of this mess alive, I'll have to do it myself.

First Frost I am Gwen Frost, and I have a Gypsy gift. It's called psychometry — that's a fancy way of saying that I see images in my head and get flashes of other people's memories off almost everything I touch, even guys. My gift makes me kind of nosy. Okay, okay, maybe a lot nosy—to the point of obsession sometimes. I want to know everything about everyone around me. But even I don't want to know the secrets my friend Paige is hiding or the terrible loss that will send me to a new school — Mythos Academy, where the teachers aren't preparing us for the SATs, but to battle Reapers of Chaos. Now I have no friends and no idea how my gift fits in with all these warrior whiz kids. The only thing I do know is that my life is never, ever going to be the same. . . Touch of Frost My name is Gwen Frost, and I go to Mythos Academy -- a school of myths, magic and warrior whiz kids, where even the lowliest geek knows how to chop off somebody's head with a sword and Logan Quinn, the hottest Spartan guy in school, also happens to be the deadliest. But lately, things have been weird, even for Mythos. First, mean girl Jasmine Ashton was murdered in the Library of Antiquities. Then, someone stole the Bowl of Tears, a magical artifact that can be used to bring about the second Chaos War. You know, death, destruction and lots of other bad, bad things. Freaky stuff like this goes on all the time at Mythos, but I'm determined to find out who killed Jasmine and why — especially since I should have been the one who died... Kiss of Frost Logan Quinn was trying to kill me. My Spartan classmate relentlessly pursued me, swinging his sword at me over and over again, the shining silver blade inching closer to my throat every time. A smile tugged up his lips, and his ice-blue eyes practically glowed with the thrill of battle. . . I'm Gwen Frost, a second-year warrior-in-training at Mythos Academy, and I have no idea how I'm going to survive the rest of the semester. One day, I'm getting schooled in swordplay by the guy who broke my heart--the drop-dead gorgeous Logan who slays me every time. Then, an invisible archer in the Library of Antiquities decides to use me for target practice. And now, I find out that someone at the academy is really a Reaper bad guy who wants me dead. I'm afraid if I don't learn how to live by the sword--with Logan's help--I just might die by the sword. . . Dark Frost I've seen so many freaky things since I started attending Mythos Academy last fall. I know I'm supposed to be a fearless warrior, but most of the time, I feel like I'm just waiting for the next Bad, Bad Thing to happen. Like someone trying to kill me--again. Everyone at Mythos Academy knows me as Gwen Frost, the Gypsy girl who uses her psychometry magic to find lost objects--and who just may be dating Logan Quinn, the hottest guy in school. But I'm also the girl the Reapers of Chaos want dead in the worst way. The Reapers are the baddest of the bad, the people who murdered my mom. So why do they have it in for me? It turns out my mom hid a powerful artifact called the Helheim Dagger before she died. Now, the Reapers will do anything to get it back. They think I know where the dagger is hidden, but this is one thing I can't use my magic to find. All I do know is that the Reapers are coming for me--and I'm in for the fight of my life.

A teenage girl with a unique gift finds herself in a world of trouble—and a school for warriors—in this YA fantasy series prequel novella. I am Gwen Frost, and I have a Gypsy gift. It's called psychometry — that's a fancy way of saying that I see flashes of other people's memories when I touch almost anything, even guys. My gift makes me kind of nosy. Okay, maybe a lot nosy. But even I don't want to know the secrets my friend Paige is hiding or the terrible loss that will send me to a new school—Mythos Academy, where instead of preparing for the SATs the students prepare to battle Reapers of Chaos. Now I have no friends and no idea how my gift fits in with all these warrior whiz kids. The only thing I do know is that my life is never, ever going to be the same.

A Spartan warrior-in-training decides to leave school—and the girl he loves—in this fantasy novella by the New York Times bestselling author. I'm Logan Quinn, the deadliest Spartan warrior at Mythos Academy. At least I was—until the day I almost killed Gwen Frost. Professor Metis and Nickamedes say that I'm fine, that Loki and the Reapers don't have a hold on me anymore, but I can't risk it. I can't risk hurting Gwen again. So I'm leaving Mythos and going somewhere far, far away. I know Gwen wonders what's happening to me, whether I'm safe. I can't tell her, but this is my story.

A teenage student of magical combat gets put to the test against an evil god in the New York Times bestselling author's YA urban fantasy novel. As a warrior-in-training at Mythos Academy, I've battled the Reapers of Chaos before—and survived. But this time I have a Bad, Bad Feeling it's going to be a fight to the death. . . most likely mine. Yeah, I've got my psychometry magic, my talking sword, Vic, and even the most dangerous Spartan on campus—Logan Quinn—at my side. But I'm still no match for Loki, the evil Norse god of chaos. I may be Nike's Champion, but at heart, I'm still just Gwen Frost, that weird Gypsy girl everyone at school loves to gossip about. Then someone I love is put in more danger than ever before, and something inside me snaps. This time, Loki and his Reapers are going down for good . . . or I am.

Surviving a Reaper attack at the Library of Antiquities, Gwen Frost, still struggling with the pain of losing Logan, races against time and fights formidable Reaper adversaries to find an antidote to cure a poisoned student.

First, mean girl Jasmine Ashton was murdered in the Library of Antiquities. Then, someone stole the Bowl of Tears, a magical artifact that can be used to bring about the second Chaos War. That kinda puts us on the verge of death, destruction and lots of other bad, bad things. Now I'm determined to find out who killed Jasmine and why — especially since I should have been the one who died.
