inside. Whatever your skills and budget, you can learn how to build your dream campervan. Your very own home on wheels awaits...

GRIHA for Existing
Buildings rating is an

Page 43/51

Online Library

Lpg Installation

Manual Version

integrated green building rating tool to evaluate the performance of existing buildings and provide solutions for enhanced energy and water efficiency, increased thermal & visual comfort, and decreased operational & maintenance costs.

While focusing on the

Online Library Lpg Installation

Manual Version
Opw Global

above, the tool has been developed with the underlying objectives of simplicity of execution, economic viability and alignment with national and international codes and standards. The rating endeavours to cover various categories of

Online Library

Lpg Installation

buildings across
diverse climatic zones
of the country. The
rating system is a 100
point system
consisting of 12
criteria categorized
under seven sections
such as Site
Parameters,
Maintenance &
Housekeeping,
Energy, Water,
Human Health &
