New edition of a text that reflects the latest thinking and practices for use in foundation organizational behavior courses. Hellriegal and Richard W. Woodman of Texas A&M U., and John W. Slocum, Jr. of Southern Methodist U. present 18 chapters that cover individual, group and interpersonal, and organizational processes. The accompanying CD-ROM con

Organizational Behavior is designed to help students, professionals & managers develop competencies and skills that are needed to contribute most effectively to the organization. This proven text's strengths lie in its classic research and coverage of contemporary topics. It introduces and emphasizes five core comepentencies--Mobilizing Innovation and Change, Conceptualization, Creativity, Risk Taking, and Visioning. The full-color formant ant pedagogy provide a framework for understanding behavior employed in organizations. After reading this book, students are properly prepared for what they will face in the real world.

Equip your students with the skills to become effective, high performance managers in today's business world as you provide a solid foundation in organizational behavior with this unique competency-based approach. Slocum/Hellriegel's PRINCIPLES OF ORGANIZATIONAL BEHAVIOR, 13E, International Edition has distilled the expertise of hundreds of leading managers from a variety of industries into seven core managerial competencies most important for professional and organizational success. Students have opportunities to assess and maximize their personal skills within the context of today's organizational behavior as they master competencies in managing self, ethics, communication, diversity, across cultures, teams, and change.The authors apply their decades of experience in teaching, research, and OB consulting to establish a clear connection between organizational behavior theory and contemporary practice. This edition combines classic theory with contemporary research, emerging trends, and the most recent developments impacting business today. Text and video cases from organizations familiar to students and interactive exercises clearly demonstrate how effective leaders use the key competencies to lead more successfully. Give your students the foundation they need to become highly effective managers and successful leaders within the organizations of tomorrow.

This text, now in its eleventh edition, presents classic and emerging organizational behaviour trends and research, making the subject accessible and meaningful for students.

Build the foundation you need to become a successful manager with Slocum and Hellriegel's FUNDAMENTALS OF ORGANIZATIONAL BEHAVIOR 12e, International Edition. Master the seven core competencies of highly effective business leaders through real-world examples and current OB trends.

A research-based text with application cases and cross-cultural examples in each chapter, this popular book maintains a balance between the psychological, organizational, individual, and changing aspects of organizational behavior. The full-color format and pedagogy provide a framework for understanding behavior employed in organizations. This edition maintains an emphasis on classic research as well as contemporary topics.
