Out of 8,558 votes, 94 percent (8,011) of people said they would not like the Queen to reinstate them. Martha Cliff 16th Nov 2020, 22:19 MEG 'WANTS TO HEAL THE ROYAL RIFT'

The Pitbull of Personal Development and "New York Times"-bestselling author of "You're Broke Because You Want to Be" is back with advice on the dumb things people do to sabotage their success.

Do you ever think you're the only one making any sense? Or tried to reason with your partner with disastrous results? Do long, rambling answers drive you crazy? Or does your colleague's abrasive manner rub you the wrong way? You are not alone. After a disastrous meeting with a highly successful entrepreneur, who was genuinely convinced he was "surrounded by idiots", communication expert and bestselling author, Thomas Erikson dedicated himself to

understanding how people function and why we often struggle to connect with certain types of people. Surrounded by Idiots is an international phenomenon, selling over 1.5 million copies worldwide. It offers a simple, yet ground-breaking method for assessing the personalities of people we communicate with – in and out of the office – based on four personality types (Red, Blue, Green and Yellow), and provides insights into how we can adjust the way we speak and share information. Erikson will help you understand yourself better, hone communication and social skills, handle conflict with confidence, improve dynamics with your boss and team, and get the best out of the people you deal with and manage. He also shares simple tricks on body language, improving written communication, advice on when to back away or when to push on, and when to speak up or shut up. Packed with “aha!” and “oh no!” moments, Surrounded by Idiots will help you understand and communicate with those around you, even people you currently think are beyond all comprehension. And with a bit of luck you can also be confident that the idiot out there isn’t you!

Most people are stupid. We know this, but don't take advantage of that knowledge (such a surprise!). This is a short-but-astringent guide to understanding and applying this simple rule.

The Pitbull of Personal Development and "New York Times"--Bestselling author of "You're Broke Because You Want to Be" is back with advice on the dumb things people do to sabotage their success

Identifies four ways in which businesspeople compromise their objectives through ineffective over-standardizations or misguided practices, sharing practical advice on how to remain true to a business ideal, promote healthy change, and communicate authentically. 35,000 first printing.

“A serious attempt to understand a common phenomenon” from the author of *The Nature of Human Intelligence* (Psychology Today). One need not look far to find breathtaking acts of stupidity committed by people who are smart, or even brilliant. The behavior of clever individuals—from presidents to prosecutors to professors—is at times so amazingly stupid as to seem inexplicable. Why do otherwise intelligent people think and behave in ways so stupid that they sometimes destroy their livelihoods or even their lives? This is an investigation of psychological research to see what it can tell us about stupidity in everyday life. The contributors to the volume—scholars in various areas of human intelligence—present examples of people messing up their lives, and offer insights into the reasons for such behavior. From a variety of perspectives, the contributors discuss: The nature and theory of stupidity How stupidity contributes to stupid behavior Whether stupidity is measurable. While many millions of dollars are spent each year on intelligence research and testing to determine who has the ability to succeed, next to nothing is spent to determine who will make use of their intelligence and not squander it by behaving stupidly. The contributors focus on the neglected side of this discussion, reviewing the full range of theory and research on stupid behavior and analyzing what it tells us about how people can avoid stupidity and its devastating consequences.

“Marvelous, devilishly clever, and culturally timely book . . . A fascinating exploration.” “Choice”

“Easily readable and well referenced . . . May provide just enough momentum for change.”

Funny Gag Gift for people who worry too much about what other people think. Only one advice in this book: FU*K'EM! repeat daily like mantra!

Have you ever had "one of those days" – dealing with a non-stop parade of dummies? Whether it is the bank, the grocery store, or even going online, it seems the world is filled with idiots. But what can we do about it? Humor author Karl Wiebe has the answer: a book filled with essays complaining about all aspects of life. Why is the self-checkout so frustrating? Are you secretly cheering for the bull during the rodeo? Why does that guy with 14 items get to use the express checkout, when the sign clearly says 12? Is there a medical reason why public washrooms are so disgusting... so disgusting in fact that even reading an essay about it will stop you from eating your chocolate bar? Eww. Hey, you imagined it. Karl Wiebe's humorous look at life with other people will be a quiet comfort on those days when you need reassurance – reassurance that you are not alone. You are not the only sane person left, although sometimes you may feel like it.

EVEN WELL-INTENDED PEOPLE CAN CAUSE HARM Have you ever heard yourself or someone else say: "Some of my best friends are... (Black, White, Asian, etc.)"? "I don't think of you as... (Gay, Disabled, Jewish, etc.)"? "I don't see color, I'm colorblind"? These statements and dozens like them can build a divide between us and the people we interact with. Though well-intended, they often widen the diversity gap sometimes causing irreparable harm personally and professionally. If you've ever wanted to be more effective in your communication with others, or have been afraid of saying the wrong thing, then this concise guide is essential to becoming more inclusive and diversity-smart. **A POWERFUL DIVERSITY TRAINING TOOL FROM ONE OF THE MOST RESPECTED DIVERSITY TRAINERS.**
