Everyone says that Max is drowned, but Charlie thinks differently: she was in the mill-pool with him, and knows exactly what she saw. When she begins to see him in her dreams, her hopes are raised. It seems the reunion she craves is possible. But where exactly is Max leading her? And will she be able to return?

After her best friend, Max, drowns, Charlie Fletcher is overwhelmed with shock and grief. When she attempts to explain what happened that day at the Mill Pond, no one believes her. The doctors and her mother think she may be hallucinating, or worse-crazy. Even her sympathetic brother can't understand what is happening to her. Charlie nearly died trying to save Max and as an aftermath to this terrifying experience, Charlie begins to have incredibly vivid dreams, where she sees Max walking far in the distance in a strange land. She tries to catch up, but she can never reach him. Sleep soon becomes her only passion. But one night, after waking up from a dream with cuts and bruises, she realizes that her nighttime excursions are real. She alone has the power to hunt for Max. And she knows he's out there somewhere. To save him, she'll follow his trail wherever it goes—even beyond the limits of this world.

Two brothers, Michael and Stephen MacIntyre, together with their sister Sarah and the local vicar Tom Aubrey, uncover a deadly secret buried near their village. But time is short: can they prevent the awakening of an ancient evil before its powers corrupt them for ever?

When Emily, Simon and Marcus discover the deserted castle, it seems like an escape from the midwinter snows and their individual loneliness. But their occupation of the ruin quickly takes on a momentum of its own, and soon threatens their friendship, their freedom and their lives.

In the third book of the series, Bartimaeus, Nathaniel, and Kitty must test the limits of this world, question the deepest parts of themselves -- and trust one another if they hope to survive. Includes a preview chapter from *The Ring of Solomon*, a Bartimaeus novel.

YA. Adventure fiction. Fantasy fiction. Listen then, and I'll tell you again of the Battle of the Rock. But none of your usual wriggling, or I'll stop before I've begun . . .Halli loves the old stories from when the valley was a wild and dangerous place - when the twelve legendary heroes stood together to defeat the ancient enemy, the bloodthirsty Trows. Halli longs for adventure but these days the most dangerous thing in the valley is boredom. He tries to liven things up by playing practical jokes. But

when one of his jokes goes too far, he reawakens an old blood feud and finds himself on a hero's quest after all. Along the way he meets a ruthless thief, a murderous rival, and a girl who may just be as fearless as he is. Jonathan Stroud has created an epic saga with a funny, unique spin, and an unforgettable anti-hero.

"Stroud is a genius" Rick Riordan, author of the Percy Jackson series. Ghosts and ghouls beware! London's smallest, shabbiest and most talented psychic detection agency is back. Life is never exactly peaceful for Lockwood & Co. Lucy and George are trying to solve the mystery of the talking skull trapped in their ghost jar, while Lockwood is desperate for an exciting new case. Things seem to be looking up when the team is called to Kensal Green Cemetery to investigate the grave of a sinister Victorian doctor. Strange apparitions have been seen there, and the site must be made safe. As usual, Lockwood is confident; as usual, everything goes wrong a terrible phantom is unleashed, and a dangerous object is stolen from the coffin. Lockwood & Co must recover the relic before its power is unleashed, but it's a race against time. Their obnoxious rivals from the Fittes agency are also on the hunt. And if that's not bad enough, the skull in the ghost-jar is stirring again The author of the blockbuster BARTIMAEUS sequence delivers another humorous and chilling instalment in the critically acclaimed LOCKWOOD & CO. series."

Bartimaeus, everyone's favorite (wise-cracking) djinni, is back in book four of this best-selling series, now available in paperback. As alluded to in the footnotes throughout the series, Bartimaeus has served hundreds of magicians during his 5,010 year career. Now fans can go back in time with the djinni, to Jerusalem and the court of King Solomon in 950 BCE. Only in this adventure, it seems the great Bartimaeus has finally met his match. He'll have to contend with an unpleasant master and his sinister servant, and he runs into just a "spot" of trouble with King Solomon's magic ring....
